**Does That Make Sense?**

Soft Cover, by Shifu Jonathan B. Walker, PhD

\$19.95

Excerpt:

*“Most people can’t define success for themselves because they are looking in the wrong place for it. We generally have our sights set on the success that someone else has achieved and want it for our own”. . . . . “We each have a gift. All that you have to do is identify what your gift is”. . . . . “Once you’ve identified your gift, you need to capitalize on it”. . . . . “Does that make sense?”*

DOES THAT MAKE SENSE? is a no-frills, thought provoking, interactive, book that is compact, direct and to the point. It illustrates how people can empower themselves to achieve any goal that they desire and obtain success in life.

It is the result of years of personal research that Shifu Walker has compiled through teaching scenarios at schools, colleges, community centers, and businesses in public and private presentations. While consulting with his fellow colleagues around the world, he discovered common denominators that are stumbling blocks to achieving success in one's life. His personal life experiences also played a role in revealing these same obstacles.

Unlike most self-help books, "Does That Make Sense?" depicts how *you* can find success based on *your* strengths *not* the strengths of the *author*. It is a book that anyone can pick up, read and find a path to success in their life based on what *they* want.

With highlights on simplicity, this book "packs a punch" and "drives home" the important aspects for self-empowerment!
